This Is Faith

To live one's best today, believing that God will give us strength for the responsibilities of tomorrow when they come.

To use one's best judgment in each emergency, refusing thereafter to reproach one's self for not having used better judgment.

To invest ALL one has on the side of right, confiding in God that the investment shall be eternally safe.

To meet each rising sun with the knowledge that no temptation will come during that day which will be more than we can meet, if we walk with Christ at our side.

To do the duty that I now see clearly, trusting that each new duty will be clear when I come to it---this is faith!

A PRAYER UTTERED

Teach me, Father, how to go
Along the paths I do not know.
Help me, Father, that I may
Be Brave and True and Kind
each day.
Show me, Father, how to live
And my service to Thee give.

—S.F.E(age 12)

Thought For The Day

"We live in deeds, not years;
In thoughts, not breaths;
In feelings, not in figures on
a dial.
We should count time by heart-
throbs.
He most lives
Who thinks most--feels the
noblest--acts the best."

—P.J. Bailey

CHRIST & FRIENDSHIP

Friendship must possess the greatest possibilities to have been chosen by our Lord to describe the relationship between Him and His Disciples. Even as He found in Fatherhood the highest human ideal under which to speak of God so he could offer His disciples no higher privilege than to be His friends. This hand was His alone to bestow. They had not chosen Him but He had chosen them to be His Disciples.

Now friendship is an experience in which we grow. It is growth in understanding as two friends share one anothers thoughts so we may share the mind of Christ as we read His words and His Life, but the highest privilege of all is to have Christ share with what we have heard of His Father. To grow in our friendship with Christ is to grow in our knowledge of God.

Destiny is determind and character is developed very largely by friendship.

Friendship cheers, charms, inspires, binds and guides like the heavenly vision. "O God, we are so glad that Thou hast never changed, that Thy Word is still eternally true, and that we have this marvelous privilege of "tunning in" to complete supply and power. Lead Thy Church back to the paths of humility and prayer."

I want to take this opportunity to express my sincere appreciation for your kindness and friendship which you graciously imparted on me. My stay in Rohwer has been a limited one, however, it was good to be here and work among you.

You are the future, Coolege, and conscience, and you are the Love, Hope, and Faith of Japanese ancestry in the United States.

May the abundant blessing of God be with you all forever.

HELLO

August 2, 1943

Dear members of the R.F.C.C.:

Almost a month has elapsed since I left Rohwer. May I say from true experience that the Lord Jesus Christ does take care of His own children. He has blessed me abundantly. I came up to Ann Arbor as a kitchen helper and instead I am now working for Dr. Kahn as a laboratory technician. As long as you have faith in Christ Jesus, He will take care of you as He has me, so may I encourage each and every one of you to leave the center and find employment outside before you deteriorate mentally. Jobs are plentiful and the people in general don't even notice you as a Japanese.

The weather is ideal here. Reminds me of "sunny" California. I understand that it does snow and get very cold during the winter.

There are approximately 100 Japanese here now. Three fellas just arrived from Poston today. Detroit is about 45 miles from here, so I intend to visit it someday.

In closing may I invite any of you to write. I will be glad to give you any information concerning this city if I can.

Sincerely in Christ,

Reiji Sayama
